JAVASCRIPT DEVELOPER

WWW.A-SAUCHUK.VERCEL.APP

## ABOUT ME

I'm a JavaScript (FE/BE) Developer with more than 1.5 years of experience in developing user interfaces, testing, debugging. Have a proven ability to collaborate effectively with senior developers. Enjoy working with team members to ensure workloads are effectively redirected to bottlenecks. Mentor of the students in The Rolling Scopes School. Dedicated and hard working with internal drive to succeed.
